

Arizona Judicial Council Legislative Proposals – 2013

Summary of Proposals submitted to: Arizona Criminal Justice Commission

Post- conviction relief (Maricopa County Superior Court)

In a capital post-conviction relief case the court is required to approve all reasonable attorney fees and costs for appointed counsel. Current law requires approval of attorney fees for over 200 hours of work. However, permits the court to appoint a designee to review and approve the fees and costs.
